

Parental/Guardian Terms & Conditions Consent Form

The Segway is a very safe machine to use if handled correctly and if the training and safety advice is followed. However, there are inherent risks that could result in death or injury if participants do not do so. Whilst the whole aim is for you all to have a fun experience, in accordance with our insurance requirements and standard safety procedures, we must ask you to read and sign the following to confirm that you understand the terms and conditions under which you and the child are using our Segway and that you accept the risks involved and will be responsible for your own and the child's activities and actions. *Les & Anne Cordes*

Terms & Conditions

- I am the parent/guardian of the child named below who is aged 12 to 15 years old. (If I am not the parent/guardian of the child I confirm that I have authority from the child's parent/guardian to sign this form).
- I confirm that this child does not suffer from any medical condition* which would make him/her more likely to be involved in any incident which could result in injury to themselves or others and that he/she will be able to step on and off the Segway unassisted and be able to lean and be comfortable standing for the duration of the session.
* This includes (but is not restricted to) a heart condition, epilepsy or a medical condition that may be aggravated in the event of a fall.
- I confirm that this child is within the minimum/maximum weight limits of 100 lbs (7 st) 45 kg to 260 lbs (18.5 st) 117 kg
- The booking period time includes safety advice and initial training and supervised practise.
- I understand that Les or Anne Cordes will determine when it is safe for my child to advance both regarding manoeuvres, speed and freedom to travel around different areas of the site and that they reserve the right to stop the session if their instructions are not being followed and they feel their safety procedures are being breached - and that no refund will be made in these circumstances.
- I understand that my child will be advised where he/she may ride the Segway, and will ensure that he/she keeps to those areas.
- Segways will work in the rain, but bookings may be subject to postponement/cancellation due to adverse weather at our discretion.
- I will ensure that my child follows the safety instructions provided by Les & Anne Cordes.
- I agree to my child wearing a safety helmet which will be provided.
- I understand that my child must not enter into a race or ride close to other Segways.
- I understand that my child must not carry anything whilst using the Segway apart from, for example, a lightweight backpack that will not affect balance and that leaves both hands free to hold the handlebars.
- I understand that as my child progresses, they will be instructed on how to ride over the differing routes available, but will not be as closely supervised as during the initial training and that I accept responsibility for his/her safety.
- I understand that my child will stay on the training (slower) mode for the session and that I or another responsible adult in our group will be expected to ride close by at their pace to supervise them.
- I accept that Les & Anne Cordes will not be liable for any direct or indirect loss, damage or injury arising from or in connection with this activity (except for death or personal injury caused by their negligence).
- In signing these terms I agree to pay the full costs of repairing any damages to Les & Anne Cordes' land, property or possessions (or those of other participants) that are directly or indirectly caused by my or my child's intended or unintended actions.
