

Segway Experience @ Willows NN6 9QA
01536 791371 www.segway-northants.co.uk

Please use this form to record the start time and date of your one hour Segway Session and please note the information below regarding your booking.

Booking Date

Booking Start Time

Please can you arrive at least 15 minutes (but not more than 30 minutes – as the gate will be locked for safety and security reasons) earlier than the start time to sort out forms, helmets and payment.

The total cost for your one hour Segway Session is based on the number of people participating :

- For two people the cost is £55.00
- For three people the cost is £80.00
- For four people the cost is £100.00
- For five people the cost is £120.00
- For six people the cost is £140.00
- For seven people the cost is £160.00
- For eight people the cost is £180.00

Payment can be by cash or debit/credit card on the day of the session – unless you have a gift voucher. You can use the gift voucher in full payment for the number of people stated on it or more people can come and join in the Segway Session and the value of the Gift Voucher (ie for two people - £55.00) will be deducted from the total cost.

Full instructions and safety advice will be received at the start of the session, but we recommend that you also watch the [manufacturer's safety video](#) . Please note also our Terms and Conditions on the website.

Please read the relevant copies of our Terms and Conditions (which are available on the same webpage as this document) that you will need to read and sign before the start of the Segway session to confirm that you have read and accept them (if you would like to print off and bring signed copies with you that will save a little time on the day, but we will have copies available in any event).

Please particularly note the age, weight and medical restrictions.

Please note, any children (12 to 15 year olds) are welcome and will have no trouble riding Segways, however, for safety and insurance reasons, they will stay on the training (slower) mode for the session and you will be expected to ride **close by at their pace** to supervise them. This should not affect anyone's enjoyment of the session.

This is an outdoor activity :

Please wear appropriate clothing for the activity (especially not long or very baggy clothing that can become tangled with the Segway) and wear flat, 'sensible', secure, closed toe footwear.

Please ensure that you dress suitably so that you will be **comfortable/warm/dry** for riding the Segways in whatever the weather conditions are ! As well as warm/waterproof clothing, lightweight gloves that allow you to grip would be a good idea if it is cold.

If it has been or is raining, there may be the likelihood of mud splashes onto footwear and trousers - so please bear that in mind when choosing what to wear.

Please note the following directions - as our postal address and postcode are not helpful in bringing you directly to us :

A map link to find us is on the website http://www.segway-northants.co.uk/html/contact_us.html

But also, for reference :

Google/sat nav using NN6 9QA will take you 1/2 a mile away from us - we are **only 200 metres** from A43 on the road towards Mawsley.

Or, basic directions - Take the A43 Kettering to Northampton road. About 2 miles south of Kettering there is a roundabout. Take the turning to the west signposted Mawsley, Lamport and Old - as mentioned, we are **only 200 metres** from the junction, on the left hand side - just look out for the Segway sign at the gate (the gate also has a Willows Nursery sign on it).

Please park in the car park near the gate and then follow the signs, on foot, to the cream bungalow.

Please be aware that the booking is, to a certain extent, subject to the weather on the day and the prevailing ground conditions - although, hopefully, that won't be an issue.

We look forward to seeing you ! Please get in touch if you have any questions at all beforehand.
